Mechanically the Leon FR benefits from a choice of two sparkling engines, both offering impressive performance. The 2.0-litre T-FSI petrol engine tested here offers a high output but with a linear spread of torque throughout the rev range for flexibility, making it fast and also relaxing to drive when not pressing on. This seat leon fr tsi is a stunning car and a beautiful drive, supplied with a full service history, 82,000 miles, only 1 previous keeper, 3 keys, mot while june 2021. best colour grey. this car drives like a brand new car, very smooth gear changes. recent timing chain replacement along with clutch. has been well looked after, good body work for a 10 year old car. new brakes fitted to the car along with a service @81k .. handles really well with the eagle f1 tyres. comes with bluetooth, cruise control, aux, multi functional steering wheel, 4x electric windows etc.. supplied with 3 months warranty, low rate
